Ken Lin

Susan Cosco

Samuel Tsui

Bruce Walker

## Concerto Night

Select students will have the opportunity to perform a concerto movement or other suitable repertoire with the faculty orchestra on the Wednesday evening concert. If you would like to be considered, submit a video recording of yourself playing the movement you would like to perform. You can send your video submission via e-mail or online video by May 1.

Faculty biographies can be read online.

## Overview

The Music, Meadows and Mountains retreat (affectionately known as "MMM camp") is the perfect place for young musicians to wrap up the summer and get a musical head start on the new school year. While at camp, students have the opportunity to work with enthusiastic and energetic faculty in a variety of ensembles at beautiful Camp Moran. In addition, MMM Camp emphasizes a balance between musical education and outdoor activities, thereby fostering the growth of enduring musical friendships and community.

## Setting

Camp Moran is a retreat center located within scenic Moran State Park on Orcas Island, Washington. MMM Camp revolves around the traditional lodge, where dining, activities, and many classes take place. A short walk through the orchard reveals Cascade Lake and the accompanying swimming and canoeing areas. Short hikes and nature trails are located nearby, and easily reveal natural wonders such as ancient evergreens and beautiful Cascade Falls. This ideal natural setting has the potential to inspire both musical growth and a love of the outdoors.

## Lodging

Families and students can choose to share cabins equipped with bunks that sleep 5-10 people or bring a tent and pitch it on the field. Unaccompanied students aged 13+ will reside in the supervised boys' or girls' cabins.

## Daily Schedule

Classes will be held Monday through Thursday. Instruction will commence following breakfast and will conclude in the early afternoon, allowing time for outdoor activities. Evenings will consist of nightly concerts and other scheduled activities.

## Strings Program

Students will have a daily schedule consisting of three of the following courses:

- Lessons or Masterclass
- Orchestra
- Chamber Music
- Suzuki Group Class
- World Music

Program Placement will be determined by the director in consultation with parents and teachers.

## Twinkle Program

This program is designed for young students who have just recently begun violin studies. It features a group class and enrichment class.

## Piano Program

Please enquire about the piano program.

## Performances

The faculty will perform early in the week in concerts designed to inspire students and parents alike with a wide range of selections from many genres. The students will be showcased later in the week with solo, chamber, and large ensemble performances. Concerto night returns featuring student soloists with orchestra.
